"A Step in the Right Direction"

As we, the members of the class of 1985, near the end of our journey to graduation, we look back at the many steps towards growth which we have taken. We have measured those steps with joy and scrrow, with triumph and victory, and with thought and action.

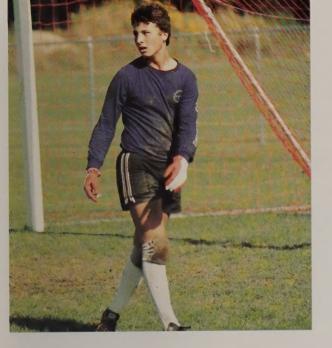

The 1985 Barnacle staff invites you to step back in time as we relive our four years at B.H.S. We hope you will do this not to dwell on the past but to measure how far we have come.

Nurses' Office

No matter what time of day or year it happens to be, the nurses' office is quite busy. The office is always open to take care of simple cuts, bruises, and scrapes.

Of course, they also handle major.

Of course, they also handle major emergencies and are responsible for keeping records of immunization shots. The class of '85 is grateful for their care.

Smoothing the Path

Secretaries play an important role in school life. They serve to smooth the path for administrators, teachers and students. Secretaries are the organizers of high school life. They not only keep track of the whereabouts of the students and teachers, but also keep records of their activities. Each day they must type and print both the daily announcements and any special programs for that day. Without secretaries, Barnstable High School would not be able to run as the efficient unit that it is.

Main Office Secretaries - Left to Right: Claire DeFulgentiis, Sara Noonan, and Gloria Johnson.

The secretaries in the main office plan the day's events.

Computers: Angie Weik.

HIGH STEPPERS

seniors

Dear Classmates,

A journey of four years has come to an end. Our personal trials and victories have welded friendships that will last a lifetime and, as a class, we can face the future with hope and determination. Many of you worked hard to complete the goals of the class of '85; be assured that the entire class is grateful for your efforts.

We look forward to seeing you in the future and hope that each reunion will become a signpost in our continuing journey through life.

Go well . . .

"We must watch our step. Whether we will it or not, we cannot journey without leaving footsteps, and others will follow where we go because we have marked the way." — To be a true leader means to sometimes not go along with the crowd, but to stand firm in what we believe. We set the examples for others, not even realizing just how close others watch our responses and attitudes. The best way to make sure the coming generations have the best is starting now with us — showing them the very best!!!

Travel

The railroad track is miles away,
And the day is loud with voices speaking,
And there isn't a train goes by all day
But I hear its whistle shrieking.

All night there isn't a train goes by,

Though the night is still for sleep and dreaming,
But I see its cinders red on the sky,

And hear its engine steaming.

My heart is warm with the friends I make, And better friends I'll not be knowing, Yet there isn't a train I wouldn't take, No matter where it's going.

Junior Miss

The Junior Miss Pageant is a nation-wide scholarship program for senior girls. Its aim is to reward those who excel in poise, personality, and promise. This pageant is not a beauty contest; girls are judged on articulation, clarity of expression, scholastic achievement, physical fitness, creative and performing arts, and poise and appearance.

Junior Miss is great opportunity for the girls to get to know the other girls in their graduating class with whom they do not usually associate. Junior Miss is a rewarding experience. When it's all over, the girls know it wasn't just the winners who won, for each girl has been enriched by her participation.

Right: Jill Hosford awarded Junior Miss of 1985. Bottom Left: Jamie Nadeau as first runner up. Bottom Right: The contestants congratulate each other.

Junior Miss Winners

The winners of the 1985 Junior Miss Pageant: Junior Miss, Jill Hosford; First runner-up, Jamie Nadeau; Second runner-up, Cheryl Levittan; Third runner-up, Katie Kelleher. Other awards given: Poise and appearance, Jill Hosford; talent award, Jamie Nadeau; physical fitness, Lori DeMartin; Spirit of Junior Miss, Lori DeMartin; Academic award, Ellen Cliggott.

Powder Puff

Each fall marks a time for school spirit for Barnstable High. While the football stands fill with eager fans, the football players run onto the field for another big game. But while the boys are out on the field having fun and playing, the girls also have their chance. Powder Puff football gives the junior and senior girls a chance to play football and the football players a chance to coach. Along with giving the girls an opportunity to play, powder puff brings each class together. On the Sunday before the big Thanksgiving game, the senior and junior girls run onto the field for the long awaited game. This year, the Seniors were once again victorious, shutting out Ruberti's Radicals 21-0. The Senior Psychos were just too much: the rookie juniors couldn't keep the pace. Although powder puff arouses rivalry between the two classes, it enables each class to get to know each other and results in class unity.

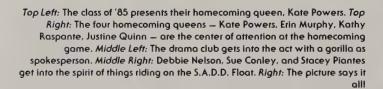

Homecoming

Top: Barnstable High School shows off its pride on Homecoming day. Middle Left: Tri-capts Mark Joyce # 66, Steve Kent #7, Dan Sullivan #51 step out into the field to meet the captains of the Hingham team. Middle Right: Both teams get ready for the start of the game. Bottom: The Raiders show their stuff.

"Most who saw the homecoming football game against Hingham at Leo Shields Field would have to agree it was a football classic, a game that matched two superb teams and two excellent schoolboy quarterbacks. It was a see-saw battle that seemed all offensive — but was hardly that at all. It was a rare high school game in which both teams executed in textbook fashion — offensively and defensively."

It was an exciting game, but the true test came at the end of the fourth quarter.

"With less than a minute remaining, Hingham came back but was forced into another field goal situation by some fine defensive play led by Raider linebackers Don Sullivan, Matt Dillon, Pat Aylmer, Edin Nacar, Kip Diggs, Mark Joyce, Jon Field and Gordon Downey. With Hingham on the BHS 20-yard line and five seconds

remaining, an off-side penalty before the attempt forced place-kicker Canavan back further. Matt Dillon then stole the show by coming up the middle and blocking the attempted winning kick."

The Raiders went on to claim a victory.

Key Club International is a service organization for high school students, sponsored by Kiwanis International. It strives to develop initiative, leadership, and good citizenship practices in youth, while providing service to the school and community. Barnstable's Key Club has been highly successful, sponsoring the Junior Miss Program and running the concession stand at football games. Holding a variety of club social activities throughout the year, Key Club is particularly proud of its contributions to the Shriners for burn victims.

Seated with Mrs. Richardson and other Key Club members are seniors Lori Demartin (second row, far right), Diane Baxter, Susan Prisbrey, Cheryl Levittan and Lisa Chounard, who are seated left to right in front row.

Math Team

The Math Team tests students' mathematical abilities. Competitions are based on both individual and group skills. The problems cover a wide range of knowledge in math, from basic algebra to calculus. The Math Team gives students a chance to step out of the normal routine of school to use their math abilities.

The Barnstable High School Speech Team has gained national prominence over the past two years. Under the direction of Mrs. M. C. Eppinger and Mr. W. Crocker, the team has traveled throughout New England and the nation to achieve the distinction of being fifth in the nation in the areas of: Competitive Dramatic Performance, Oratory, and Broadcasting.

The 1984-1985 season was an undefeated one for the 35 team members. Sweepstakes trophies were won at every tournament in which Barnstable High School competed.

The team qualified once again for the Grand National Forensic Tournament held in May. Ft. Lauderdale, Florida, hosted the 1985 tournament of 3,500 students from across the United States. The Barnstable High Speech Team once again came home victorious. We are all proud of them.

The group has done such things as making several trips to the middle school and going to Otis Air Force Base. Its aim is to make the entire student body one cohesive unit.

Ski Club

Barnstable High School's ski club provides an excellent opportunity for students who would not otherwise have the chance to become involved in a sport.

Founded sixteen years ago, the club has about one hundred and forty members this year. In previous years the club has traveled to Europe and skied the French and Austrian Alps. This year the club made several day trips to various parts of New England. Included are trips to Loon Mountain, Waterville Valley, and King Ridge.

Student Council

The Barnstable High School's Student Council plays an important role within the school. The Council's main purpose is to keep communication open between the administration and the student body. They strive to achieve this goal through homeroom representation, bulletin notices, suggestion box entries, bulletin boards, and nonmember support.

In addition, the student council communicates with other school systems in the state by sponsoring conventions and joint meetings.

Student council is not a fund raising group; rather it volunteers its services to the community for various projects. All council members stand as representatives for BHS students, speaking and sometimes acting for their peers.

Back Row, Left to Right: Mr. Thayer, Gary Chevalier, Mike Strada, Peter Childs, Jennifer Ciccarelli, Jody Lewis, Andrea Fiset, Renee Willet, Jill Frostholm, Heather Baldner, Mariam Haider, Eric Myers. Homeroom Reps.

Every year, each homeroom elects a representative and an alternate. It is the responsibility of the representative to inform his/her homeroom of class matters. If the rep. is not able to do this, then it becomes the alternate's responsibility.

Over the years, the reps have organized many fund raising events, such as car washes and dances. These events helped to make a very successful junior prom at Dunfey's.

The senior year, however, is the most important. Along with informing the class of such activities as Homecoming, Powder Puff, The class trip, and the Senior Picnic, they must also organize the most important events: Senior Prom and graduation.

It can be said that homeroom reps have to put their best foot forward in order to keep students informed.

The Barnstable High School Drama Club is obviously the largest club in the school, consisting of over 400 members.

Under the direction of Mr. John Sullivan, director, and Mr. Vince Puleo, assistant director, the Drama Club grosses approximately \$10,000 from its various productions.

This past year's sellouts included the Annual Talent Show; the winter production, Alice in Wonderland starring Jamie Nadeau and Peter Dexter; and of course, their biggest event, the Haunted House including such favorites as E.T. and Jabba the Hutt. Left: Josh Clark and Mr. Sullivan fool around in between practices.

The Lord of the Rings

"The Lord of the Rings" finally took place in the spring of our junior year after two years of writing and rewriting by Class of 1985 member, Tom Adams.

According to Tom, he read the book four times before sitting down to write the script. After the first draft was finished, Tom sat down with Mr. John Sullivan to revise and shorten the play to three hours. The play then went on to receive rave reviews.

This is just one more example proving that the Class of 1985 is already on its way to walking the path to success.

The Haunted House

Running 8 days, the Haunted House grossed over 6,000 dollars. It opened with the incredible Magic Mirror and the Temple of the Snakes, bringing much excitement to all who visited. It also brought back such greats as The Light Tunnel, The Emperor, The Alien Lab, The Grave Yard, Dr. Jeckyl and Jabba the Hut. Overall it was another great success for the Drama Club, with more than 2,000 visitors including several Gremlins.

Chamber Strings

Chamber Strings is a small group of string players that meets weekly under the direction of Ms. Gerri Lajoie. The Chamber Strings perform at the various concerts given throughout the year by the Music Dept. Almost all of the members went on to attend the All Cape and Islands Music Festival, while others went on to higher competition throughout the state.

Chamber Singers

Chamber Singers is a smaller more elite group of singers under the direction of Ms. Grace O'Connor. Members, who are also in Choir, are more dedicated to their singing and are possibly looking into music as a profession. Most Chamber Singers went on to attend the All-Cape and Island Music Festival.

Concert Band

Concert Band is the time at which students are able to live up to their full potential. Under the direction of Mr. Anthony Stevens, the band meets first period every day. Once a week the band has sectional rehearsals. During sectionals, the student is allowed to concentrate on his or her individual part. The band holds many concerts throughout the year. This year they are planning an exchange concert with a high school in Virginia.

Many of the students in the music program compete at the All-Cape and Islands Music Festival. This year nearly 20 band members made the auditions. More students went on to compete at regional and state competitions, and this year one student, Bryan Hatmaker, went on to gain a seat at the All-Eastern United States Concert Band.

The Barnacle

Under the direction of Ms. Pina, this year's yearbook staff has successfully produced the 1985 Barnacle. The Yearbook class is actually a business enterprise which manages funds in excess of \$14,000, funds raised through advertising and sale of the book.

With the guidance of Lisa Petralia, Editor-in-Chief; Donna Ranta, Copy Editor; Caryn Levitt, Layout Editor; Gregg Davis, Photography Editor; and Susan DiCarlo, Business Manager, deadlines were met and pages were produced.

Although the class officially began with the start of school last fall, students were selected in the spring and began work on the book during after school hours. During the summer, each staff member sold \$300 worth of advertising to cover part of the cost of production.

Because each staff member is responsible for his or her own layouts, each member learns the publication process from beginning to end.

We would like to thank everyone who respected our deadlines by submitting all materials necessary for the yearbook's completion.

The Barnstable Red Raiders Marching Band known as "The Pride of Cape Cod" will always be remembered marching at football games, appearing in parades and representing B.H.S. at regional competitions and festivals.

The class IV Band and Color Guard were under the direction of Mr. Anthony Stevens and Ms. Ruth Gardner. With help from Mr. Will Harrigan, Mr. Larry LeGrande, Mr. Allen Machon and many band parents, it was a good four years.

The band practiced for many hours to look professional and the work paid off. They also earned NEW UNIFORMS and planned on going to Virginia in the spring of 1985.

The B.H.S. BAND is definitely "THE PRIDE OF CAPE COD!"

You have given the coaches some great memories, which we will always keep with us. For that, we thank you. I hope we, in return, have given you something worthwhile enough to keep with you.

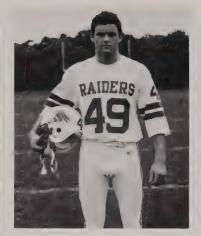

Be proud of yourselves - We are proud of you.

Dear Seniors,

It has been my pleasure to coach and work with you this fall. Looking back, it seems like we were just on the field — you sprinting and me blowing the whistle! You can leave with pride knowing you were on the team that beat D-Y. It was your skill and determination that brought the 2-1 outcome. That game took so much desire, teamwork, and willingness to achieve that winning score. But that desire was present throughout the entire season. It was this that made you so willing to run and work hard at practice. And that desire now will be used to achieve success as you begin this next step in your life.

The theme of our yearbook has been "A Step in the Right Direction," a phrase chosen to remind us not only of the past we leave but also of the future we face. In light of this, we see graduation as a well-worn bridge, well-worn for we have been crossing it for four years without ever realizing it. We pause now to look at the beauty around us, to remind ourselves that while we can find needed comfort and peace in nature, it is to our fellow so-journers in life that we owe our first allegiance. In the years to come, let us pause to help others along the path of life knowing full well that none of us can truly walk alone. Only when we perform that task can we know that our footprints surely represent "A Step in the Right Direction."
